

## Sponsor Information

Women of the Vine is a non-denominational, non-profit (501 ( c )3) Christian organization whose goal is to provide an opportunity for women to be renewed in Christ by experiencing His presence as a unified body. Our first conference was held in 2003 and in just a short time we have seen a tremendous growth in our ministry. Based on comments we have received, we expect God to continue to bless our efforts for His glory.

From the very beginning, we have worked diligently to provide high caliber conferences with a balance of nationally known speakers and local involvement. Many of our speakers and artists such as Jan Silvius and Alicia Williamson are the same ones who speak at the Precept National Women's Conference, Women of Faith and other such well-known events.

We want to offer you this opportunity to be a part of this ministry and to assist us in following through on the vision God has given us. Please feel free to contact us with any questions you might have. The levels of sponsorships are described below. We hope you will choose to be a part of our ministry.
